

Go Leor

Introductory Impact Kit

Go Leor is Ireland's newest digital magazine exploring the intersection of arts, creativity, and therapeutic culture. From in-depth interviews to curated features on creative practices and wellbeing, Go Leor is a vibrant space for voices shaping Ireland's cultural and emotional landscape. Our mission is to showcase meaningful work, spark connection, and create lasting impact through thoughtful, beautifully crafted publishing.

(More Than Enough)

June 2025

Issue 1

Sophie Hayles

The Crescent CEO

From homegrown talent to migrating swifts, Crescent Arts Centre CEO Sophie Hayles shares how community, creativity, and care shape one of Belfast's most inclusive and inspiring cultural spaces.

Roberta Bacic

Conflict Textiles Curator

Roberta Bacic weaves memory and resistance through fabric. As curator of Conflict Textiles, she shares powerful global stories stitched by women confronting silence with creativity and courage.

With an incredible first issue and Issue 2 in production for release on 1st of July 2025, we're offering exclusive introductory feature rates to individuals, organisations, and brands who share our values. This is our exclusive Introductory Impact Kit.
